PREFACE

This volume is the eighth of the series printed by this Society, covering the period of the Act Books at the Diocesan Registry at Chester, between the years 1606 and 1700. As will be seen by the detailed list printed below it includes part of the Manuscript Vol. VII and the whole of Vol. VIII.

As has been pointed out in previous volumes, these Act Books are often very imperfect records for the period they cover, and no search should be considered complete without reference to the original Marriage Bonds which are filed in yearly bundles at the Diocesan Registry for the period 1661-1700.

The present volume is one that must be used with especial caution as the Registrar appears to have entered up the bonds in his Act Book in a more than usually perfunctory manner. This is true particularly in the matter of year dates. The Registrar seems to have received the Bonds from the different Surrogates at no special time. Occasionally a Surrogate would delay sending in his returns for two or three years, and when this happened the Registrar did not always trouble to enter them under the correct year, but simply " bunched them " into the Volume at the date when they arrived. The editor has done his best to check such dates by reference to the various Parish Registers that exist, but this has not always been possible, so that caution should be used, and a reference to the original bond made if a searcher wishes to be accurate. The attention of the reader is drawn to pages 19-22, 38-41, 65-67, 119, 153-155, 187, 295-308.

For the convenience of readers the details are here repeated of the Marriage Licence Act Books and Bonds now remaining in the Diocesan Registry at Chester.

From this date it became the custom to enter the licences in the Act Books as and when the affidavits were returned into the Registry by the Surrogates. The dates therefore overlap a good deal; this is especially the case between the dates 1733 and 1772.

2. That the affairs of the Society shall be governed by a Council consisting of a President and twelve Members, the former of whom shall be *annually* elected by the Council.

3. That three Members of the Council shall form a quorum.

4. That the subscription of Members of the Society shall be £1 1s. per annum,* which shall entitle them to the publications for the year; but any Member whose subscription shall be two years in arrear shall thereupon be removed from the Society, and shall not be re-admitted until all arrears have been paid. ☞ The Council must again refer to Rule 5, under which no volume can be delivered to any Member whose subscription is in arrear.

REPORT FOR THE YEARS 1920-21 (43rd YEAR) AND 1921-22 (44th YEAR).

Read at the Annual Meeting held at the Athenæum, Liverpool, on 10th May, 1922.

DURING the year ended on 30th June, 1921, no volume was issued to the members, but the printing of Volume 75 (Part II of the series of Lancaster Marriage Bonds offered to the Society by Mr. J. P. Smith) and of Volume 76 (Mr. Beazley's Calendar of Monumental Inscriptions and Wills) was commenced. The Council, having received generous offers of £75 towards the cost of Volume 75 by the member who contributed the same sum towards the cost of Volume 74, and also of £25 by Mr. Beazley towards the cost of Volume 76, felt justified in proceeding with these volumes. Some delay was experienced over the Index to Volume 75, but both volumes were dispatched to the members in April, 1922; Volume 75 being issued for the year 1920-21, and Volume 76 for the year 1921-22. The cost of the former was £142 12s., and of the latter £173 10s. 10d.

At the last Annual Meeting it was decided to increase the subscription for the year commencing 1st July, 1921 to £2 2s., and the Council are glad to report that the increase caused very few resignations. The number of paying members now stands at 118.

In November, 1921, the Hon. Treasurer and the Hon. Secretary intimated their wish to resign, after holding office for 13 years, and at a Council Meeting held on 7th November, 1921 the question of finding their successors, and the future of the Society, were fully considered. It was decided that every effort should be made before the next Annual Meeting to find suitable successors, in the hope that the work of the Society might be carried on. So far, no persons to fill these offices have been found.

At the Council Meeting held on 24th January, 1921, Mr. J. P. Smith was elected a member of the Council. The accounts of the Society at 30th June, 1921, showed a credit balance of £193 4s. 11d. The accounts for the year ending 30th June, 1922, will not be ready before that date, but the Hon. Treasurer anticipates that there will be a credit balance, after paying for Volumes 75 and 76, of about £150.

Notice has been received terminating the joint-tenancy with the Historic Society of Lancashire and Cheshire, of the stock-room, on 31st December, 1922.

REPORT FOR THE YEAR 1922-23 (45th Year).

Read at the Annual Meeting held at the Athenæum, Liverpool, on 4th September, 1923.

During the year no volume was issued to members; but, the cost of printing having fallen materially, it is now proposed to resume publication forthwith.

On 22nd March, 1923, the Society suffered an irreparable loss in the sudden death of Mr. John Paul Rylands, F.S.A., barrister-at-law, who, for the last fourteen years had been President of the Society, and in 1878 was its originator. On antiquarian and genealogical subjects he wrote extensively, and in heraldic matters, especially, was recognised as a first rate authority. The following obituary notice of him appeared in the *Times* of 29th March, 1923:—

> " The funeral was held on Tuesday, at Thelwall, of Mr. John Paul Rylands, F.S.A., of Oxton, Cheshire, a well-known antiquary, who died recently, aged 77. He was a member of the Northern Circuit, and practised for many years in Liverpool, but retired about twenty years ago. His special interest was in genealogy and heraldry. He was one of the founders, and for many years president, of the Record Society of Lancashire and Cheshire, president of the Liverpool Athenæum in 1910, a vice-president of the Historic Society of Lancashire and Cheshire, and at one time president of the Ex-Libris Society, a member of the Council of the Harleian Society, and for nearly forty years a member of the council of the Chetham Society. The works by which he was best known are the " Visitations of Cheshire," 1580 and 1613, which he edited for the Harleian Society (the latter in conjunction with the late Sir George Armytage, Bt.), " Disclaimers at the Heralds' Visitations," and " The Armorial Bearings of the City of Liverpool." In addition he advised and assisted the late Mr. J. P. Earwaker with his " History of East Cheshire." He was initiated into Freemasonry in 1872, and was one of the founders of the Quatuor Coronati Lodge. Mr. Rylands married a daughter of Nicholas Smith Glazebrook, of Hayman's Green, West Derby; she survives him with two sons and two daughters. His brother, W. H. Rylands, also a well-known antiquary, died last year."

At the last Annual Meeting, on 10th May, 1922, Mr. F. C. Beazley, F.S.A., and Mr. Ronald Stewart-Brown, M.A., F.S.A., after thirteen years of excellent service, tendered

their resignations as Hon. Treasurer and Hon. Secretary respectively. To fill the vacant posts, Mr. W. Asheton Tonge, and Mr. Robert Gladstone, B.C.L., M.A., were then elected, to serve as from 30th June, 1922.

Owing to the termination of the tenancy of the stock-room on 31st December, 1922, the entire stock of the Society's publications was removed to the Royal Institution, Colquitt Street, Liverpool, and was thoroughly cleaned and carefully counted.
